

Verður
fjórða iðnbyltingin
bylting fyrir konur
jafnt sem karla?

Margrét Dóra Ragnarsdóttir
Stafrænn hönnunarstjóri

Í hverju felst fjórða iðnbýltingin?

- Skil raunheimsins og sýndarveruleikans verða óljós.
- Við nýtum afl tækninnar og dýpt gagnanna úr þriðju iðnbýltingunni til að sjálfvirknivæða með hjálp gervigreindar.

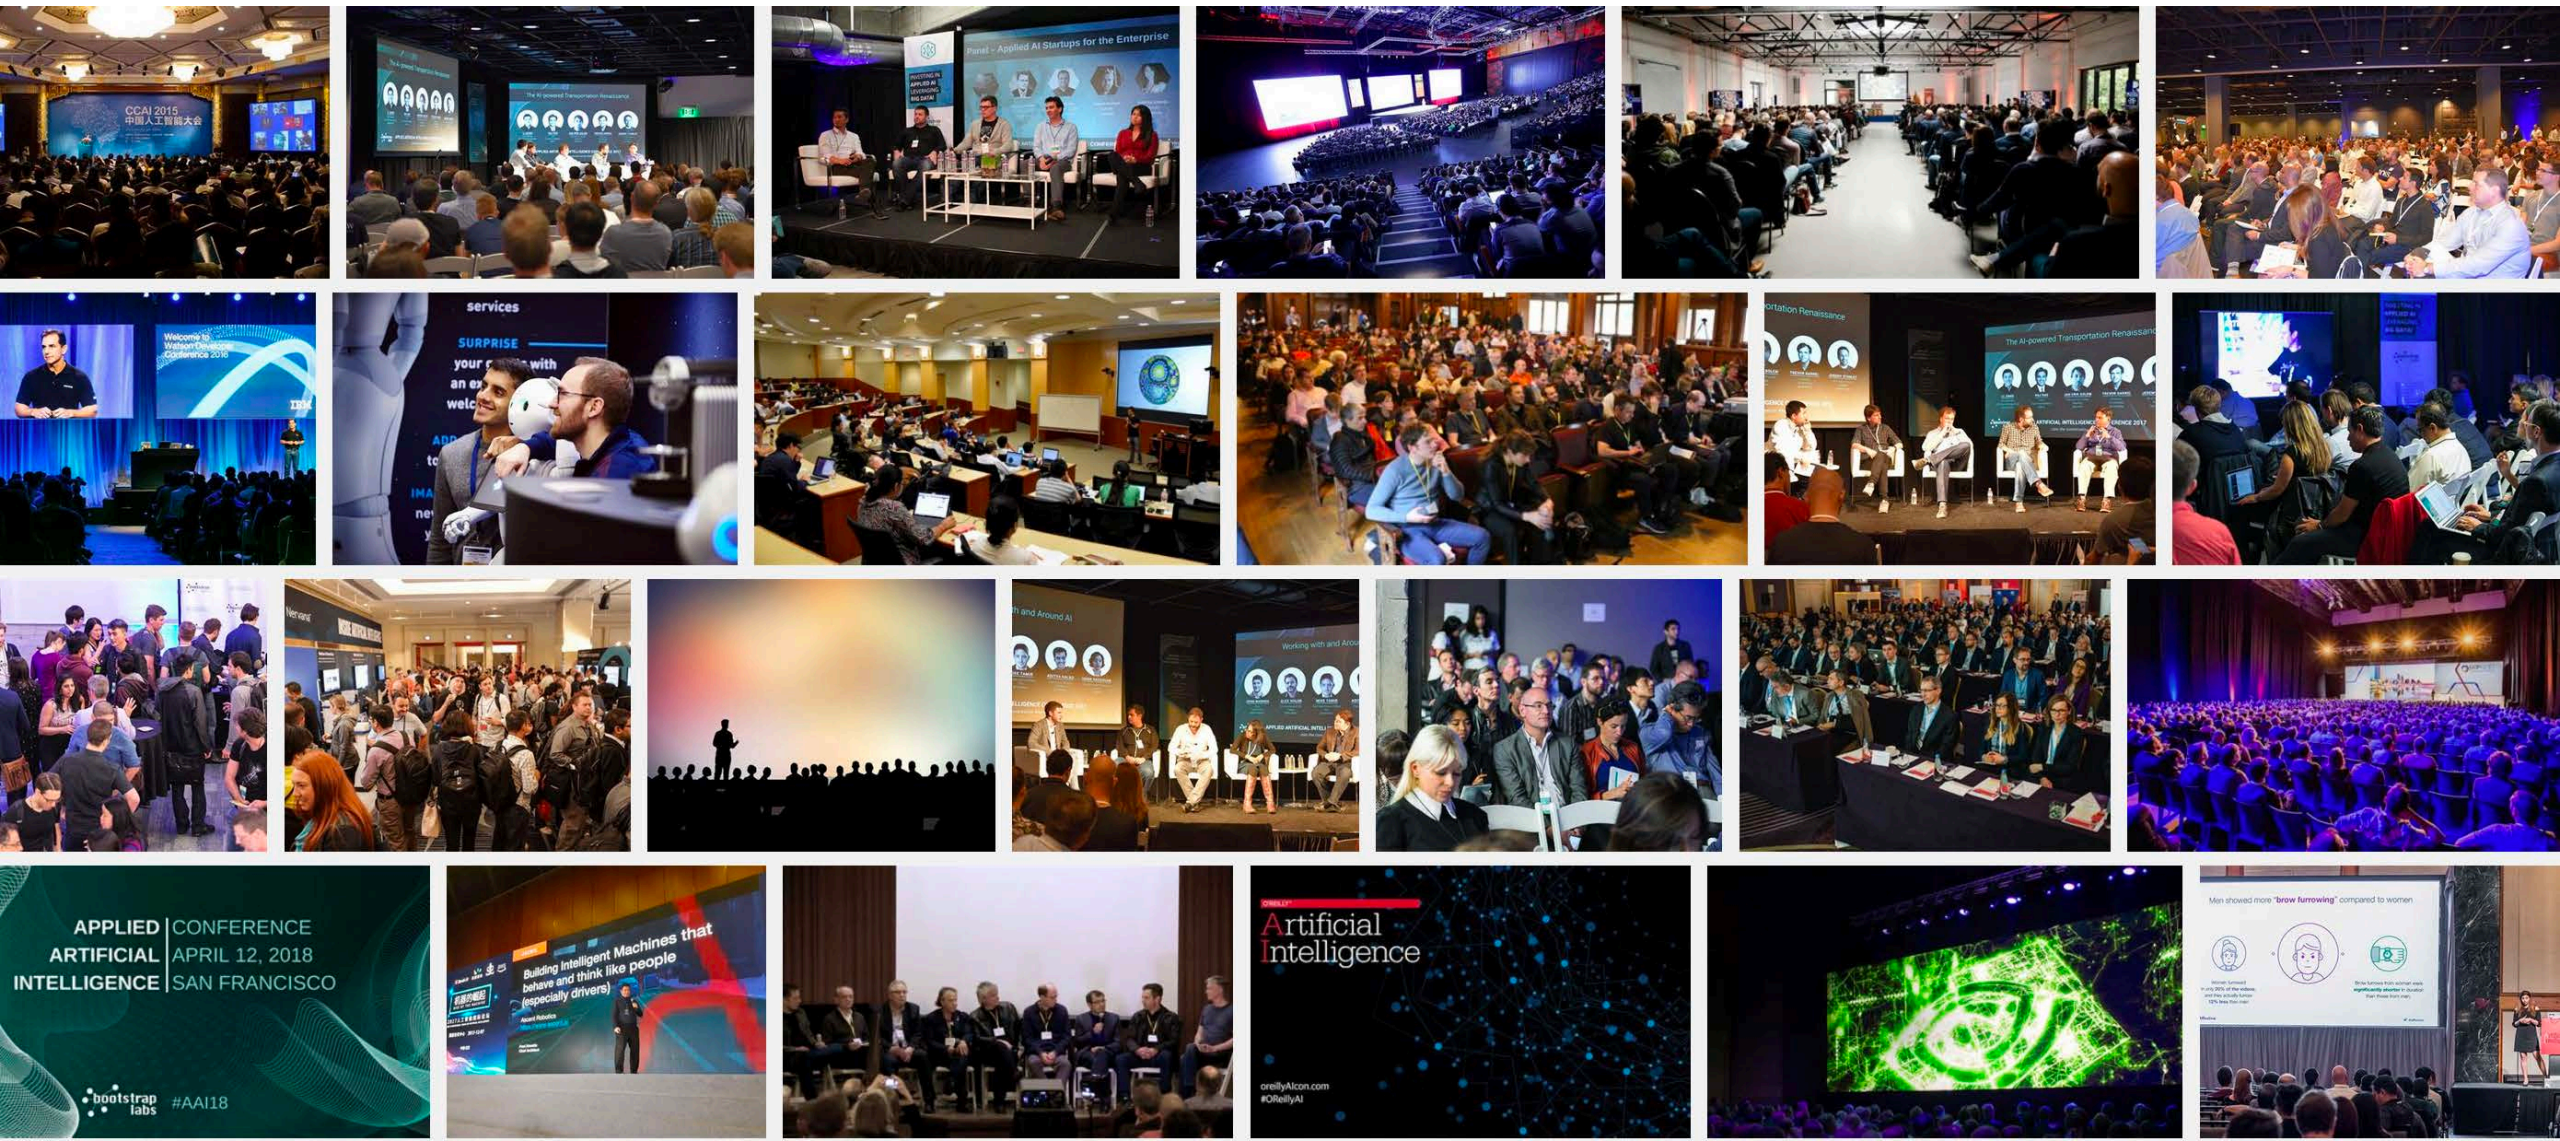

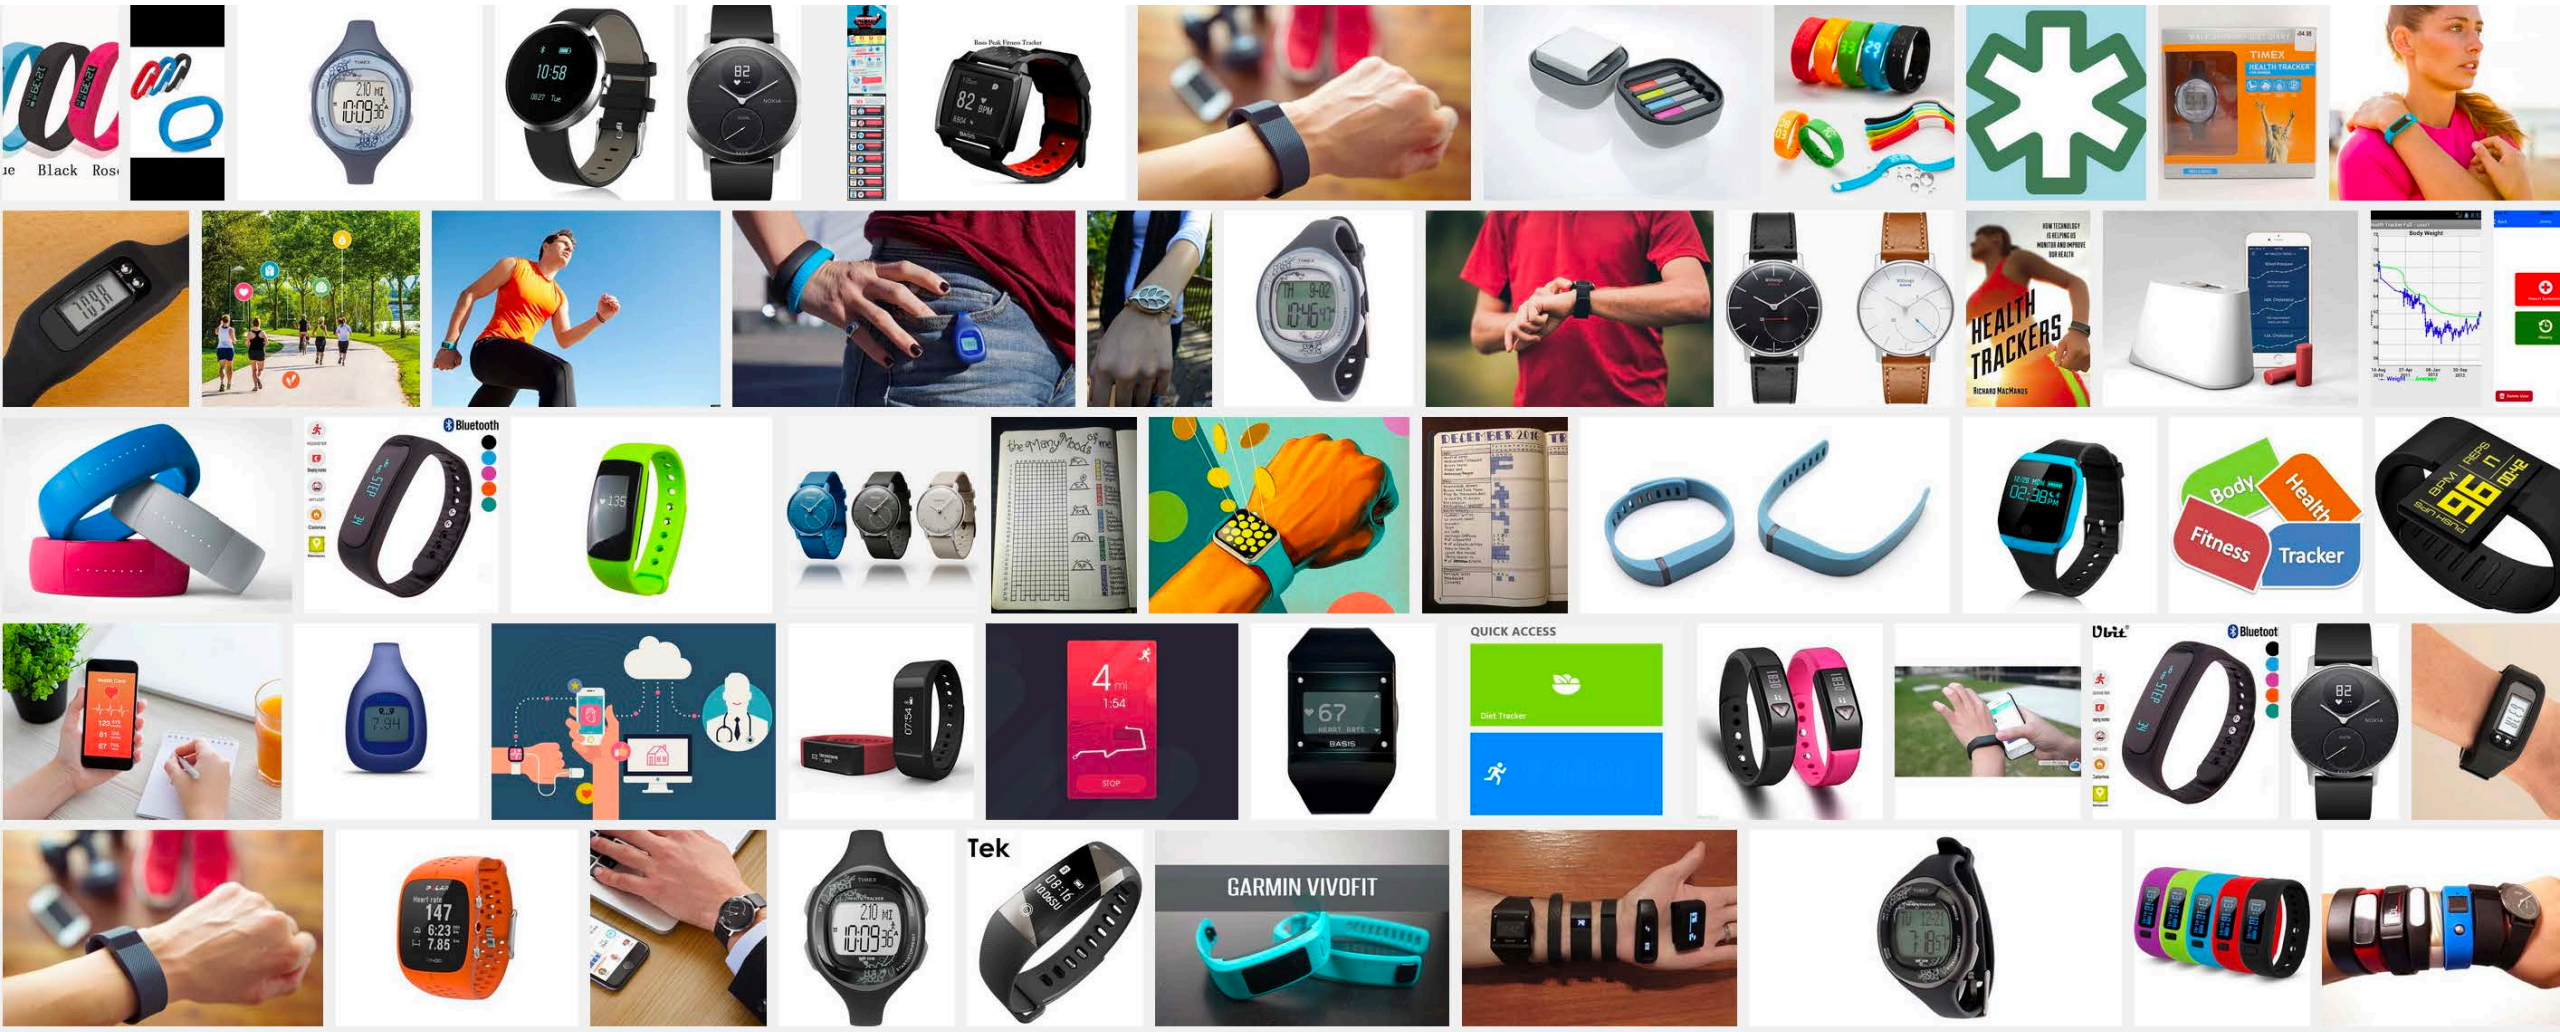

Íhugum

- Hverjir búa til tæknina?
- Á hverju byggir gervigreindin?
- Hvernig breytir þetta hvernig við störfum?

Hverjir búa til tæknina?

Vélanám (*machine learning*) og
gervigreind (*artificial intelligence*)
byggir á gögnum.

Áhrif á störf

- Mannfólkið þarf þá ekki lengur að hamast í hundleiðinlegum og hættulegum störfum

Áhrif á störf

- Það verða til tvennskonar störf:
 - Hálaunastörf
við tæknina sjálfa
 - Láglaunastörf
við það sem tæknin getur ekki
auðveldlega höndlað

HOME CARE PULSE
The WHY Caregiver Job Ad Example
 Your job will fulfill those on Working and those who do not share your Why.
 We diligently recruit we are a close knit team of caregivers who help one another to ensure our clients receive the highest quality of care. We only hire committed professional caregivers who love working with the elderly during all hours of the day and night. We do what we do because we want to make a positive impact on the lives of those we care for. We expect the same level of passion from every team member. Only apply if you can live by our high standards of care and want to be challenged on a daily basis. PLEASE do not apply if your main motivation is to find a job that will pay you for the same hours. Why my applying here will only be a waste of your time and ours. However, if your main purpose for applying is to find a career that will help satisfy your desire to receive others, we would love to hear from you!
